

D E C L A R A T I O N

In the matter of U.S. Patent  
Application Ser. No. 10/530,046  
in the name of Yukiko YOKOI et al.

I, Nobutaka YOKOTA, of Kyowa Patent and Law Office,  
2-3, Marunouchi 3-Chome, Chiyoda-Ku, Tokyo-To, Japan,  
declare and say:

that I am thoroughly conversant with both the Japanese  
and English languages;

that the attached document represents a true English  
translation of PCT/JP03/05461, to which United States Patent  
Application Serial No. 10/530,046 corresponds;

that the original English translation filed on April  
1, 2005, included mistranslations;

that regarding the Japanese term 「ショ糖脂肪酸エステル」  
(syo-to-u-shi-bo-u-sa-n-e-su-te-ru), "sucrose fatty acid  
ester" is a more accurate translation than "sugar ester fatty  
acid" in the original English translation of the  
international application; and

that regarding the Japanese term 「力価」 (ri-ki-ka),  
"potency" is a more accurate translation than "efficacy"  
in the original English translation of the international  
application."

I further declare that all statements made herein of  
my own knowledge are true and that all statements made on  
information and belief are believed to be true; and further

that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dated: February 27, 2009

  
Nobutaka YOKOTA
